Hello Friends,

In 2025, we invite you to join us as we celebrate stories about the paths we take, the lessons we learn, and the people we meet along the way.

From characters facing transformative challenges to epic adventures filled with twists and turns, we think you're going to love this season of shows filled with joyful journeys about the human connection. These stories are made all the better by the shared experience of theater; the magic of live performance – which is a storytelling adventure like no other.

We hope to journey with you into this new year and thank you for your continued support of non-profit community theatre. We are so proud to serve our community.

Best wishes for a wonderful year,

All of us at EPT
